We celebrated **RED RIBBON WEEK** this week, and it was the best one yet!! Students and staff went all out and we had a great time with all the themes as you can see in some of the pictures.

Parents, just a reminder that there will be **No School on Monday, November 1st**. This is a professional development day for all teachers.

On Tuesday, November 2nd, we will start our **Annual Feud of Food "competition"**. All Pulaski County schools will be collecting non-perishable items/ can good to distribute to local food banks. All the south schools will be competing with all the north schools. Whichever part of the county collects the most will receive the Compassion trophy. Attached is a flyer with more information to support this great cause!
