LIBRARY CARD SIGN-UP MONTH

September is Library Card Sign-Up Month - a time when the American Library Association and libraries across the country remind parents that the most important school supply of all is your library card.

September was first so designated in 1988, as a continuation of a national campaign launched the previous year.

BANNED BOOKS WEEK

Banned Books Week, an annual celebration of the freedom to read since 1982, is observed the last week of September. This year the dates are September 19-25, 2021

Each year, librarians, booksellers, teachers and countless others take this opportunity to highlight the importance of intellectual freedom and remind us not to take this precious democratic freedom for granted.
