Our Annual Feud of Food "competition has come to an end. We have collected 2284 items. Our winning classroom is **Mrs. Lisa Meece first grade class..** Second place is **Mrs. Kara Mullin first grade class.** A big "Thank you" to everyone that participated in this event.

Thanks to a very generous donation by one of our community members, a partnership with our PTA and Usborne Books, each child at Southern Elementary was gifted 2 books of their very own! A total of 1,278 books.

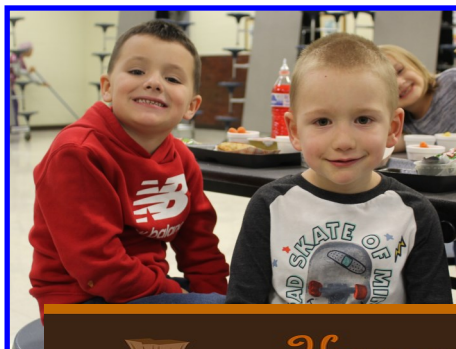

Our classroom teachers were also able to pick a selection books to add to their classroom library through the Usborne Books Literacy for a Lifetime Grant. We are very thankful for the kindness and generosity of the donor as well as her love for literacy and desire to provide books for children. Thank you to our PTA for their support of our students and teachers as well!

SES staff and students want to do a big shout out to our cafeteria staff. They prepared a full Thanksgiving dinner yesterday. Many staff members enjoyed the meal as did all students. The food was delicious and we want to thank all of them for their efforts and time for the preparation of it.

Just a reminder about the immunization clinic for the student Covid vaccines on Monday from 4 pm - 6 pm in our school gym.

Remember that next week, we only have school on Monday and Tuesday. Wednesday through Friday is our Thanksgiving Break.

Happy Thanksgiving

The vision for Southern Elementary students is that every student is proficient and prepared for success by becoming college and career ready.
